MAJOR CONTROVACIES IN MARK.

JESUS ASSOCIATES WITH THE OUTCASTS

The call of Levi: 2: 13 – 17

- In the Jewish community, those who collected taxes for the Roman government were always seen as sinners. Therefore, they were always discriminated.
- Mark presents Jesus with Levi who was considered to be an outcast by the Pharisees.
- After teaching the people Jesus was moving and saw Levi the son of Alpheus sitting at the tax office. He requested him to follow Jesus and Levi did so.
- This incident earned Jesus a situation of unpopularity before the Jewish leaders for he associated with dishonest people.
- Jesus visited Levi house and had a meal with many tax collectors, other sinners and His disciples.
- This angered the scribes and the Pharisees who saw Jesus eating with these people. To them it was unlawful since it could result into personal defilement.
- The Jewish leaders said to his disciples why Jesus who was taken as a man of God was eating and drinking with sinners.
- To them Jesus was degrading himself to the level of those he mixed with.
- Having heard them Jesus told them that those who are well need no doctor but the sick.
- This meant that Jesus was aware of the sinful nature of the people he dined with but had power to save them from their sins.
- He concluded that he had not come for the righteous but for sinners to repent.

IMPLICATIONS/SIGNIFICANCE/MEANING OF THE EVENT

1. Jesus does not discriminate, he welcomes and associates with all people regardless of their status.
2. It illustrated the grace and wisdom of God as revealed through his son Jesus.
3. It showed that the call to God’s kingdom is a free gift that Jesus gives those he wants.
4. It established Jesus as a messiah i.e. the one who had come to save people even from their sins.
5. The meal opened up a new relationship between sinners and God as well as a kind of fellowship believers would get by accepting Christ.
6. It manifested the coming of the kingdom of God on earth by Jesus reconciling with man the sinner.
7. It showed that the new teaching/faith involved self-denial and sacrifice. Levi left his highly paid job and followed Jesus.
8. It showed that Jesus’ main role was to call sinners to repentance. That is why he did not go to associate with the respectable but the wicked.
9. It showed that God chose the despised to be agents of change while establishing His spiritual kingdom.
10. It manifested the divine powers Jesus had by calling Levi and he accepted to follow him.
11. Jesus’ love, mercy and compassion are shown in this incident for he accepted to dine with the despised in society.
12. The event also established Jesus as a human being for he feasted with other people at Levi’s house.
13. Jesus’ action and response fulfilled the Old Testament scriptures. Isaiah 11: 3-9 God’s act of calling sinners in O.T e.g. Abraham, Moses etc.
14. The attitude of the Jewish leaders indicated their failure to understand the messianic identity of Jesus.
15. His association with sinners meant that Jesus had power to prevent sin from defiling him and those who believe in him.
16. This incident established Jesus Christ as a spiritual messiah rather than a political messiah.
17. It established Jesus as one who had come to perfect the Mosaic Law and change people’s attitudes towards others.
18. It showed that Jews hated tax collectors because they worked for their enemies the Romans and any one associating with them was taken as an enemy of the Jewish nation.
19. It showed that the kingdom of God is for those who are ready to repent and turn back to God rather than those claiming to be righteous.
20. It meant that the teachers of the law had no love for sinners and could not help them leave their sinfulness yet they claimed to be religious leaders.
21. The event increased conflict between Jesus and the Jewish religious leaders because to them it was improper for a righteous man to contaminate his righteousness by associating with evil people.
22. It meant Jesus’ humility and humble ministry as he was able to dine with those societies despised as outcasts.
23. It showed the cost of discipleship as Levi was able to leave his highly paying Job for the sake of becoming Jesus’ disciple.
24. The call of Levi was a way of spreading the good news to those who best needed it. Many tax collectors and other public sinners gathered at Levi’s home for conversion.
25. It showed the need to respond to God’s call positively irrespective of one’s status. When Jesus requested Levi to follow him he did not look back.

LESSONS TO CHRISTIANS/ APPLICATION TO CHRISTIANS

1. Christians should accept God’s call just like Levi accepted Jesus’ call.
2. Christians ought to associate with all categories of people just like Jesus associated with tax collectors.
3. They should strive to help people to turn away from their sins by helping them to repent just like Jesus helped Levi.

4. Christians especially leaders pay visits to people who are neglected in society like the prostitutes. This might help them change.

5. They are called upon to feast/share meals with others without considering their status just like Jesus did at Levi’s house.

6. They are called upon to repent and turn back to God because that is why Jesus came on the earth.

7. Christians ought to have love for others and carry one another’s burden just like Jesus loved Levi.

8. Christians should pray for God’s wisdom so as to understand His salvation plan better not like the Pharisees who failed to understand Jesus.

9. Christians ought to work for the perfection of society laws that appear to be unfair to the people. Just like Jesus perfected the mosaic law of relating with sinners.

10. They should be ready to sacrifice and leave their income, jobs for the sake of the Gospel, just like Levi left his tax office for the sake of Jesus’ call.

11. They are called upon to do what is good to all the people rather than fulfilling the requirements of the law.

12. Christians ought to associate with the unbelievers so as to change them, just like Jesus associated with Levi.

13. Christians should make an immediate response when they are called by God just as Levi responded without hesitation.

14. Church leaders should help the spiritually sick people by bringing them closer rather than condemning them, just like Jesus did.

15. They should preach the gospel less discrimination that is to all people of different classes the rich and the poor.

16. They should be ready to risk their reputation in the process of extending salvation to the sinners and the despised. The Pharisees blamed Jesus for associating with outcasts at Levi’s home.

17. Christians ought to be accommodative in life the way Jesus accommodated Levi and other public sinners.

18. Christians ought to extend God’s grace and mercy to other people just like the way they received Christ by grace.

19. Christians should treat people with respect even when they are below their levels for all people were created by God unlike the Pharisees who blamed Jesus for associating with outcasts.

20. Christians should humble themselves so as to be used by God in the way Jesus was humble enough to call Levi the tax collector.

21. They should have faith in Jesus Christ and accept him as the messiah who came for their salvation.
NB FOR SIGNIFICANCE TO CHRISTIANS USE LESSONS BUT CHANGE QUALIFIERS.

E.G. It encourages Christians to help the spiritually sick just like Jesus associated with the public sinners.

NEW CLOTH AND NEW WINE
The question about fasting 2: 18 - 22

- This was yet another controversy/conflict between Jesus and religious leaders of the time.
- Fasting was a major activity usually done on the atonement day. It was compulsory for all religious leaders to fast failure of which meant ungodliness.
- The disciples of the Pharisees and John asked Jesus why his disciples were not fasting.
- Jesus defended his disciples using two parables. To him, the friends of the bride groom cannot fast when the groom is with them.
- The days of fasting were to come when the groom was to be taken away from them.
- The two parables were about not mixing the old and rigid practices of Judaism with the good news of the kingdom of God.

- Thus it was useless to sew a piece of new cloth on an old garment otherwise the new piece will pull away from the old and the tear will be made worse.
- Jesus also responded that no one can put new wine into old skins because the wine skins will burst.
- Therefore, to Jesus it was unnecessary for the disciples of the new order and covenant to fast by following the old order.

SIGNIFICANCE OF THE EVENT

1. It showed that God’s relationship with the people could best be expressed in marriage.
2. It meant that Jesus had come as a perfectionist of the old order.
3. Jesus’ messiah ship is portrayed in the title of the bridegroom who was present.
4. Jesus’ divine powers are expressed in this incident i.e. His presence is enough to make his followers rejoice.
5. The human nature of Jesus is shown in this incident i.e. time will come for Jesus to go and the disciples will fast.
6. It meant that Jesus had come with a new teaching which was to be adopted by all those who accepted him. That is why is disciples were not fasting.
7. It meant that the kingdom of God had arrived and people just needed to rejoice rather than being in sorrow.
8. The disciples are shown as guests on the feast of the groom, i.e. disciples were called by Jesus to join in the establishment of God’s kingdom.
9. Jesus was ready to set aside the demands of the Mosaic Law which were not important during the spread of the good news.
10. This incident showed lack of understanding of Jesus’ personality by the Jews and religious leaders of the time i.e. the question asked.
11. Jesus’ answer was an indirect prophetic way of pronouncing his death i.e. they will fast when the bridegroom is taken away from them.
12. The incident showed the continuous struggle between Jesus and satanic powers, that is the Jews struggling to make Jesus apply their man made laws.
13. The wine parable fulfills the Old Testament scriptures especially of Isaiah and Amos who predicted much wine during the messianic era.
14. It exposed the hypocrisy of the Pharisees who paid more attention to religious rituals rather than God’s demands.
15. Jesus’ answer outdated the importance of fasting in the salvation theme.
16. These parables also manifested the incompatibility of Judaism with Christianity a new faith brought by Jesus.
17. These parables called for flexibility of the people when dealing with issues pertaining the kingdom of God.

LESSONS TO CHRISTIANS TODAY

1. Christians should have faith in God rather than concentrating on religious rituals that are insignificant in the situation.
2. Christians should separate their traditional practices and rituals from the requirements of Christianity because they cannot be put together.
3. They should accept change and have flexibility when dealing with matters of faith.
4. They should accept Jesus as their savior for he saved them from the Jewish restrictions.
5. Christians should fast for their spiritual strength just as Just promised that fasting will be part of the practices after his departure.
6. They should prepare to receive the bridegroom at the end of time where they will feast with him.
7. Christians should follow what God requires out of them rather than what other Christians and their leaders are doing.
8. They should consult their religious leaders in situations of confusion on religious teachings and practices Just like the people who consulted Jesus.
9. They should recognize the presence of Jesus amidst their lives and gatherings and act according to Jesus’ demands than their thinking.

SABBATH CONTROVERSY OBSERVANCE (Mk 2: 23 28)
Another controversy arose over the purpose of the Sabbath where Jesus held a view different from that of the Pharisees.

Due to hunger, when the disciples were passing through the corn fields, they plucked the heads of grain and ate them.

This action was considered as unnecessary work on the Sabbath by the Pharisees. So the disciples were accused of breaking the Sabbath laws.

The Pharisees asked Jesus as to why His disciples were doing what was unlawful on the Sabbath.

Not working on the Sabbath was one of the many laws observed by the Jews.

This therefore meant that Jesus was encouraging his disciples to break the law—something which identified him as a law breaker.

Jesus reminded them of David and his men who were hungry and went into the house of God during priest Abiatha’s time and were fed on the sacrificial bread which is supposed to be eaten by priests.

Jesus meant that David broke the law by eating consecrated bread because of the necessity to save life. Thus to Jesus life is better than ritualism.

Therefore, Jesus declared that the Sabbath was made for the good of man not man for the Sabbath, which meant that anything to help man in need is above ritual observance.

Jesus concludes with a great claim of having divine authority over the Sabbath. Thus the son of man is the lord of Sabbath.

**SIGNIFICANCE OF THE EVENT**

1. It manifested Jesus divinity i.e. Jesus being from God hence a son of God because he could change even the law.
2. Showed Jesus as a messiah i.e. the one who had come to save people from condemnation of the law.
3. It implied that man’s life was better than keeping human restrictions from the story of King David.
4. Established Jesus as a teacher and interpreter of scriptures. By teaching the Pharisees the Old Testament scriptures.
5. Jesus was shown as being with divine authority over the Sabbath.
6. This event exposed the Pharisees’ lack of understanding of Jesus’ identity.
7. It meant that Jesus had come to perfect the law of Moses.
8. It increased the hostility between the Pharisees and Jesus which later led to Jesus’ death.
9. Implied that the needs of man were more important in the face of God than ritual observance.
10. Established Jesus as a perfect judge by not condemning the disciples for their action.
11. Showed Jesus as an observer of the law of Moses, i.e. He did not deny the existence of the law but was against the understanding of the purpose of that law.
12. It revealed that in the new age of faith the Mosaic law had become less important.
LESSONS TO CHRISTIANS

1. Christians need to follow Jesus if they are to be free from the demands of the law.
2. They ought to take life more important than ritual observance.
3. Ought to have/make the right interpretation of the law as Jesus was.
4. Christians ought to have knowledge of the scripture just like Jesus referred to David.
5. Christians should make the best use of the Sabbath because it was made for their good.
6. Christians ought to exercise their freedom and do what they feel is pleasing God instead of being controlled by church traditions.
7. Christians ought to look as and accept Jesus Christ as their saviour.
8. They should ask their religious leaders spiritual matters they fail to understand rather than blaming them.
9. They should also mind about their physical welfare amidst busy religious programmes.
10. Christians should use scriptures to explain and solve different controversial issues in their daily living.
11. They should accept Jesus as being above all restrictions for he is the lord of the Sabbath.

BLASPHEMY AGAINST THE HOLY SPIRIT (Jesus called Beelzebub)

- It happened when Jesus had too much work that he could not eat, his family members went to lay hold of him, for they said he was out of his mind.
- The scribes said that he had Beelzebub i.e. the prince of Demons and it’s by this power that he casts out demons.
- Jesus responded to them in two parables i.e. the division of the house/kingdom and the plundering of a strong man’s house.
- He concluded by saying that all sins are forgiven but whoever blasphemes against the Holy Spirit will never be forgiven.
- He said that because they were saying that he was using the evil spirit to perform miracles.

SIGNIFICANCE/AMPLICATIONS

2. The divine powers of Jesus are exhibited.
3. The role of the Holy Spirit is shown in Jesus’ response.
4. It showed that Jesus’ activities were guided by the Holy spirit from the father.

7. The words from the scribes increased conflicts between Jesus and religious leaders of the time.
8. Their words showed lack of understanding of Jesus’ personality.
9. It meant that Jesus was above demons which the scribes associated with him.
10. He wanted to alert them that instead of minding about him they should mind about their spiritual needs.
11. Jesus’ love for human beings is shown in this incident for he worked without resting.
12. It showed that one’s spiritual welfare was more important than the physical welfare.

**NEW KIND OF KINSHIP  3: 31 - 35**

- When it was heard that Jesus had gone mad, Jesus; family members i.e. (mother and brothers) came to take charge of him.
- They sent a message calling him out of the big crowd he was teaching. But Jesus’ answer established a new kind of kinship not based on blood but on faith in God.
- That is “whoever does the will of God is my brother, sister and mother”.
- Mark does not mean that Jesus had been rejected by family members but rather they had misunderstood him. His works were too extra ordinary that they thought he had gone mad.

**SIGNIFICANCE**

1. Spiritual relationship is more important in the face of God than the natural relationship.
2. It showed Jesus’ determination to first do the work of God before fulfilling the duties of his natural family.

8. Shows Jesus as a suffering servant. He could not leave the work of God in order to meet the need of his family.

13. It showed Jesus being indiscriminative by taking other people in the same way he was taking his family members.

LESSONS TO CHRISTIANS

3. They should treat all the people equally because they belong to the same family of God.
4. They ought to get concern when their family members get problems just like Jesus’ family came to take charge of him.

6. Christians need to be free from any family influence for the sake of the Gospel i.e. they ought to denounce family members and friends if they stand in the way of the gospel.
7. Christians should work for the unity of the church just like Jesus united those who had accepted his word.
8. They ought to have faith and accept to do God’s will if they are to be members of the family established by Jesus.

JESUS AND THE PHARISEES ON JEWISH TRADITIONS (What makes man clean)
7: 1 – 23

- The Pharisees were ready to reduce Jesus’ popularity before the public. They were concerned with ceremonial defilement by the disciples. They felt that Jesus did not encourage the disciples to observe the Jewish traditions.

- The traditions of elders demanded that a person’s hands should be washed in a particular way not for hygienic reasons but to remove ritual uncleanliness as a result of getting in contact with Gentiles.

- They also had other laws concerning washing of dishes and other utensils. The Pharisees then asked as to why the disciples were eating with unclean hands.

Jesus responded to them by making the following points:

- They were hypocrites. He affirmed that the tradition of elders had lost their spiritual significance. With their lips they confessed God but their hearts were far away from him.

- They teach man made rules as though they were laws of God. God’s laws are set aside in order to obey the laws of man.

- Jesus gave an example of the law of Corban (everything belonged to God). According to this law a son would dedicate everything he has to God and giving anything to anybody be it parents was illegal.

- People were ignoring their obligation to parents as the law of Moses required, i.e. honour your mother and father.

- The religious leaders were not only teaching to dishonor the 4th commandment, but they also tempered with other laws.
To Jesus, there is nothing that goes into a person that makes him unclean rather it’s what comes out of him.

This meant that all foods are fit to be eaten because they enter the body and then pass out but not in the heart.

According to Jesus its people’s evil speeches, acts and evil attitudes which defile a person because they come out of a person’s heart.

11. It showed clearly the difference between Jesus and the religious leaders of the time while the Pharisees were interested in rituals Jesus was interested in people’s hearts.

**THE QUESTION ABOUT PAYING TAX Mk:12;13-17**

- It was yet another occasion when some Pharisees and members of Herod’s party went to trap Jesus by his own words.
- They praised him as a teacher who tells the truth without paying attention to any one’s status.
- They posed a question. “Tell us is it against our law to pay taxes to the Roman emperor? …..”
- Jesus knew their trick, that they were trying to trap him. So he requested for a silver coin to be handed over to him.
- When it was brought, he asked them whose face was on it and their answer was “the emperor’s”.
- Jesus concluded “well then pay the emperor what belongs to the emperor and pay God what belongs to God.”

CIRCUMSTANCES THAT MAY LEAD CHRISTIANS TO DISOBEY THE STATE LAW

- If the laws encourage abuse of people’s rights like detention without trial, persecution of the innocent people the Christians may not respect such a law because Jesus teaches us to be peace makers in the beatitudes.
- If the law promotes dictatorship which results into bad governance, a Christian may not obey such a law.
- When the law promotes injustice like discrimination, racism, tribalism then a Christian may not respect such a law. Jesus said do to others what you want others to do to you.
- When the law encourages exploitation of citizens or misuse of government resources for the interest of the minority then the Christian may not obey such a law. Prophet Amos attacked the Israelites for exploiting the poor.
- If the law denies a Christian freedom of worship it should be rejected by Christians because it contradicts with the bible. To St. Paul Christians should practice their freedom they acquired by accepting Jesus.
- Christians may reject laws when they encourage hatred among citizens because God’s intention for man is love for one another. Jesus gave the commandment of love of a neighbour as you love yourself.
- If the law promotes immorality like divorce, prostitution, homosexuality etc. then Christians should reject such laws. St. Paul taught that our bodies are temples of the holy Spirit and should be kept holy.
- When the law promotes imbalance in society and economic development based on tribalism, then Christians should reject such laws. Jesus treated all people equally.
- If the laws support termination of people’s lives because to Christians it is only God with authority over people’s lives.
- If the laws condition Christians to worship other gods which makes Christians sin against their God who commanded them to worship no other God apart from Him.
If the laws encourage gender inequality yet the gospel calls for equality among all people.
If the laws are destructive to family relationships that is denying parents their responsibility over their children.

JESUS USES PARABLES
• A parable refers to putting one thing alongside another by a way of comparison or illustration. OR it is a developed simile which explains something by comparison.
• In this case it a brief story of popular and spiritual wisdom used by Jesus to put across heavenly message to the people for interpretation/understanding. In each vivid story told by Jesus, there was spiritual truth about which the heaven could think for the rest of his life.

PURPOSE OF PARABLES IN JESUS’ MINISTRY/WHY JESUS USED PARABLES.
/SIGNIFICANCE OF PARABLES.
1. Jesus used parables to distinguish himself from the rest of teachers of his time. By using parables Jesus appeared unique from the Pharisees, scribes and Sadducees.

- When Jesus called the twelve, he gave them power over evil spirits and he sent them off into the district without him but in pairs.
- He directed them to take nothing for the journey except a staff.
- They were to wear sandals and not to put on two tunics implying that they were to be helped by the people among whom they were to work.
- They were to preach, exercise and heal and were not to waste time arguing with those who did not welcome the good news of the kingdom of God.

7. Religious leaders ought to share authority with their disciples i.e. delegation of power so as to quicken the spread of the gospel.
8. Christians should undergo some training before they fully engage in the spread of the gospel.

2. Jesus’ time had not yet come to reveal his messiahship, this is because everything has its time as planned by God.

- The disciples were so frightened that they did not know what to say.
- They were covered by the shadow of the cloud which appeared on the mountain.
- Out of the cloud, a voice recognized Jesus as a son of God and commanded the disciples to listen to him.
- This meant that Jesus’ mission and what he was teaching was willed by God.
- After wards when they looked around they could not see anyone else apart from Jesus who was with them.
- While leaving the mountain, Jesus ordered them not to tell anyone what they had seen until the son of man is raised from death.

- In obedience to Jesus’ orders they asked themselves the meaning of rising from death.

THE RICH YOUNG MAN 10:17 - 22

Mark presents a rich young man running and kneeling before Jesus and poses a question. “Good teacher what can I do to inherit eternal life”? Jesus responded by first making “man aware that it is only God who is good.

He directed the man to go and keep the ten commandments God gave through Moses.

Because the man seemed to have kept these commandments since his birth, Jesus loved him.

Jesus requested him to go and sell whatever he had, give the money to the poor, take up his cross and follow him.

The young man became sad and sorrowful and went away for he could not imagine giving out all his great wealth.

It was from this back ground that Jesus told his disciples how it was hard for a rich man to enter God’s kingdom.

To Jesus it is easier for a camel to pass through an eye of the middle than a rich man to enter the kingdom of God.

As a practice the disciples seemed to have not understood Jesus as they were wondering who then can be saved.

However, Jesus told them that what can be taken as impossible to men, it is very possible with God.

Peter then wondered what was to be the reward of those who had left all their wealth and followed Jesus.

Jesus assured all those who left whatever they had for the sake of the gospel shall receive hundred fold.

SIGNIFICANCE OF THE INCIDENT

2. It showed the divinity of Jesus Christ when the rich man refers to him as good which meant total purity expected of God.
3. It showed that Jesus had come to fulfill the old testament i.e. He requested the man to go and keep the commandment.
4. It showed that the law was not enough to make man right with God but also a need for self-surrender and sacrifice in during the will of God.
5. Jesus’ answer changed the Old Testament thinking of wealth as a blessing from God to being a barrier to person’s salvation.
6. It identified Jesus as a spiritual messiah a person who had come save men from his sin. (sell your property)
7. Jesus’ answer to the man showed him as a suffering servant of God i.e. go sell your wealth give the money to the poor carry your cross and follow me.
8. It showed that even the poor can inherit the kingdom of God if they have faith.
9. It showed that much trust in wealth can block believers from attaining salvation.
10. Jesus’ response to the disciples showed God’s supremacy and omnipotence because nothing is impossible before God.
11. It shows the rewards God will give to those who have accepted to serve him unconditionally.

**LESSONS TO CHRISTIANS**
1. Christians ought to keep the ten commandments because they are a requirement to man’s salvation.
2. Christians ought to surrender their wealth and families for the sake of the gospel.
3. Christians should attempt to do what God wants other than mere singing praises for Him, not like the man who called Jesus good.
4. They ought to trust God other than wealth because wealth can hinder a person from going to heaven.
5. They ought to use their wealth by helping the poor because this is what Jesus required them to do.
6. They should accept to follow Christ in whatever circumstances of even if one is required to leave whatever he has.
7. Christian leaders should put aside all other commitments and stick to their duty of serving God. The rich young man was requested to do so.
8. They ought to strive for eternal rewards in heaven by restricting themselves from the worldly riches.
9. Christians ought to take God seriously as their only God and savior by completely depending on him, unlike the rich young man.
10. Christians should pray to God for the gift of eternal life because observing the law is not enough to make Christians achieve it.
11. Christians ought to abandon any material things which become a stumbling block in one’s faith.
